Restricted Tender Procedure for Outsourcing Services – Publication No. 01/2025

Tender Title: Service Contract: “Employment of Specialized and Support Staff under the Programme — Strengthening Climate Resilience in the Lake Baringo Watershed (ACT-61897: Green Deal #TeamEuropeKenya – Part II)”

The Italian Agency for Development Cooperation (AICS) – Nairobi Regional Office is in the process of finalizing the signature of the Programme “Strengthening Climate Resilience in the Lake Baringo Watershed (ACT-61897: Green Deal #TeamEuropeKenya – Part II)”, funded by the European Union – Delegation to the Republic of Kenya. The Programme aims to promote climate resilience, sustainable land and water management, and improved livelihoods in the Lake Baringo watershed area through a coordinated #TeamEurope approach.

Description of the Contract:

This contract, resulting from the present restricted tender procedure, aims to outsource employment services for the recruitment and management of six (6) local staff to support the implementation of the Programme in Baringo County, Kenya. The selected Employment Agency will hire and administer the personnel in compliance with Kenyan labour law and AICS Nairobi’s requirements. The contract, with a maximum duration of forty-five (45) months, will cover salaries and related administrative management in accordance with EU PRAG procurement procedures.

The estimated total value of the contract is EUR 583,425.00 (VAT excluded).

All documentation related to this tender, including the application modalities and all relevant information, are described within the documents accessible at the following address:
