- 2.27.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. (b) Award Criteria

- 2.27.4 The Procuring entity will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

which event the Procuring entity may make the award to the next lowest evaluated Candidate or call for new tenders.

2.31.2 The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
