SECTION II - INSTRUCTIONS TO TENDERERS

2.1 Eligible Tenderers

2.1.1 A Tenderer is eligible to bid for a contract in procurement of listed products if the person satisfies the following criteria:

- a) The Tenderer has the legal capacity to enter, into a contract for procurement of the listed product.
- b) The Tenderer is not insolvent, in receivership, bankrupt or in the process of being wound up.
- c) The Tenderer, if a member of a regulated profession, has satisfied all the professional requirements.
- d) The Tenderer has fulfilled tax obligations.
- e) The Tenderer has not been convicted of corrupt or fraudulent practices and is not guilty of any serious violation of fair employment laws and practices.
- g) The Tenderer or consortium shall be considered ineligible to bid where in case of corporation, private company, partnership or other body, the person or consortium, their spouse, child, or sub-contractor has substantial or controlling interest.

2.1.2 Tenderers shall provide the qualification information statement that the tenderer is not associated, or have been associated in the past, directly, or indirectly, with a firm or any of its affiliates which have been engaged by the Hospital to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods under this Invitation for tenders.

2.2 Eligible Goods

2.2.1 All goods to be supplied under the contract shall have their origin in eligible source countries and licensed through authorized entities.

2.2.2 For purposes of this clause, "origin" means the place where the goods are procured or produced. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized product results that is substantially different in basic characteristics or in purpose or utility from its components.

2.2.3 The origin of goods is distinct from the nationality of the tenderer.

2.3 The Tender Document

2.3.1 The tender document comprises the documents listed below, and addenda issued in accordance with the above clauses of instructions to Tenderers:

- (i) Invitation to Tender
- (ii) Instructions to tenderers
- (iii) General Conditions of Contract
- (iv) Special Conditions of Contract

- (v) Schedule of requirements
- (vi) Technical Specifications
- (vii) Tender Form and Price Schedules
- (viii) Contract Form
- (ix) Manufacturer's Authorization Form (where applicable)
- (x) Confidential Business Questionnaire
- (xi) Declarations that none of the directors have been convicted of corrupt or fraudulent practices
- (xii) Declaration that the company is not insolvent, in receivership, bankrupt or in the process of winding up.
- (xii) Declaration of conflict of interest
- (xiv) Declaration that the company is not debarred from participated in procurement proceedings

2.3.2 The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.4 Amendment of Documents

2.4.1 At any time prior to the deadline for submission of tenders, the Hospital, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by amendment.

2.4.2 All prospective candidates that have received the tender documents will be notified of the amendment in writing or by post/email and will be binding on them.

2.4.3 In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, the Hospital, at its discretion, may extend the deadline for the submission of tenders.

2.5 Documents Comprising of Tender

The tender prepared by the tenderers shall comprise the following components:

(a) a Tender Form and a Price Schedule completed in accordance with paragraph 2.6, 2.7 and 2.8 below.

(b) documentary evidence established in accordance with paragraph 2.2 that the tenderer is eligible to tender and is qualified to perform the contract if its tender is accepted.

(c) documentary evidence established in accordance with paragraph 2.2 that the goods and ancillary services to be supplied by the tenderer are eligible goods and services and conform to the tender documents.

2.6 Tender Forms

The tenderer shall complete the Tender Form and the appropriate Price Schedule furnished in the tender documents, indicating the goods to be supplied, a brief description of the goods, their country of origin, make/brand, quantity, and prices.

2.7 Tender Prices

2.7.1 The tenderer shall indicate on the appropriate Price Schedule the unit prices and total tender price of the goods it proposes to supply under the contract.

2.7.2 Prices indicated on the Price Schedule shall include all costs including taxes, insurances, and delivery to the premises of the entity.

2.7.3 Prices quoted by the tenderer shall be fixed during the Tender's performance of the contract and not subject to variation on any account. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected.

2.7.4 The validity period of the tender shall be 120 days from the date of opening of the tender.

2.8 Tender Currencies

Prices shall be quoted in Kenya Shillings unless otherwise specified in the Appendix to Instructions to Tenderers.

2.9 Tenderers Eligibility and Qualifications

2.9.1 Pursuant to paragraph 2.3 the tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if its tender is accepted.

2.9.2 The documentary evidence of the tenderers eligibility to tender shall establish to the Hospitals satisfaction that the tenderer, at the time of submission of its tender, is from an eligible source country as defined under paragraph 2.3.

2.9.3 The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall be established to the Hospitals satisfaction.

(a) that, in the case of a tenderer offering to supply goods under the contract which the tenderer did not manufacture or otherwise produce, the tenderer has been duly authorized by the goods' Manufacturer or producer to supply the goods.

(b) that the tenderer has the financial, technical, and production capability necessary to perform the contract.

2.10 Goods Eligibility and Conformity to Tender Documents

2.10.1 Pursuant to paragraph 2.3 of this section, the tenderer shall furnish, as part of its tender documents establishing the eligibility and conformity to the tender documents of all goods which the tenderer proposes to supply under the contract.

2.10.2 The documentary evidence of the eligibility of the goods shall consist of a statement in the Price Schedule of the country of origin of the goods and services offered which shall be confirmed by a certificate of origin issued at the time of shipment.

2.10.3 The documentary evidence of conformity of the goods to the tender documents may be in the form of product samples, literature, and data, and shall consist of:

(a) a detailed description of the essential technical and performance characteristic of the goods.

(b) a list giving full particulars, including available source and current prices of the said product, a clause-by-clause commentary on the Hospital Technical Specifications demonstrating substantial responsiveness of the goods and service to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications.

2.11 Format and Signing of Tender

2.11.1 The Tenderer shall prepare two copies of the tender, clearly marking each "ORIGINAL TENDER" and "COPY OF TENDER," and as appropriate. In the event of any discrepancy between them, the original shall govern.

2.11.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. The latter authorization shall be indicated by written power-of-attorney accompanying the tender. All pages of the tender, except for unamended printed literature, shall be initialed by the person or persons signing the tender.

2.11.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.12 Sealing and Marking of Tenders

2.12.1 The Tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as "ORIGINAL" and "COPY." The envelopes shall then be sealed in an outer envelope. All bids submitted shall have their pages serialized to enhance integrity of the tender document.

2.12.2 The inner and outer envelopes shall:

(a) be addressed to the Hospital at the following address

The Chief Executive Officer

Premier Hospital

P.O Box 34526-80118,

Links road, Mombasa

(b) bear, tender number and name in the Invitation for Tenders and the words, **“DO NOT OPEN BEFORE 8TH DECEMBER 2021, 10.00 AM (EAST AFRICAN TIME)”**

2.12.3 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late”.

2.12.4 If the outer envelope is not sealed and marked as required by paragraph 3.2.2, the Hospital will assume no responsibility for the tender’s misplacement or premature opening.

2.13 Clarification of Tenders

2.13.1 To assist in the examination, evaluation, and comparison of tenders the Hospital may, at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.

2.13.2 Any effort by the tenderer to influence the Hospital in the Hospital’s tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers’ tender.

2.14 Preliminary Examination

2.14.1 The Hospital will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.

2.14.2 If a tender is not substantially responsive, it will be rejected by the Hospital and may not subsequently be made responsive by the tenderer by correction of the non-conformity.

2.15 Evaluation and Comparison of Tenders

2.15.1 The Hospital will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 1.3.

2.15.2 The tender evaluation committee shall evaluate the tender within 30 days of the validity period from the date of opening the tender.

2.15.3 A tenderer who gives false information in the tender document about its qualification or who refuses to enter, a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.16 Contacting the Hospital

2.16.1 No tenderer shall contact the Hospital on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.

2.16.2 Any effort by a tenderer to influence the Hospital in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

2.17 Award of Contract

(a) Post-qualification

2.17.1 In the absence of pre-qualification, the Hospital will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.17.2 The determination will consider the tenderer financial, technical, supply and production capabilities. It will be based upon an examination of the documentary evidence of the tenderer's qualifications submitted by the tenderer, as well as such other information as the Hospital deems necessary and appropriate.

2.17.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Hospital will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

2.17.4 The Hospital will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily with all conformities needed.

(c) Hospital's Right to Vary quantities

2.17.5 The Hospital reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of requirements without any change in unit price or other terms and conditions.

(d) Hospital Right to Accept or Reject Any or All Tenders

2.17.6 The Hospital reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the Hospital action.

Notification of Award

2.17.7 Prior to the expiration of the period of tender validity, the Hospital will notify both successful & unsuccessful tenderer (s) in writing that its tender has been accepted or rejected.

2.17.8 The notification of award will constitute the formation of the Contract but will have to wait until the contract is finally signed by both parties.

2.18 Signing of Contract

2.18.1 At the same time as the Hospital notifies the successful tenderer that its tender has been accepted, the Hospital will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.18.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.18.3 After fourteen (14) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Hospital.

2.19 Corrupt or Fraudulent Practices

2.19.1 The Hospital requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts in pursuance of this policy, the Hospital defines, for the purpose of this provision following terms as follows.

(i) "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a hospital official in the procurement process or in contract execution; and

(ii) "fraudulent practice" means a misrepresentation of facts to influence a procurement process or the execution of a contract to the detriment of the Hospital and includes collusive practice among tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Hospital of the benefits of free and open competition.

2.19.2 The Hospital will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.19.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in Premier hospital.

SECTION III - GENERAL CONDITIONS OF CONTRACT

3.1 Definitions

In this Contract, the following terms shall be interpreted as indicated:

(a) "The Contract" means the agreement entered between the Premier Hospital and the tenderer, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

3.5 Use of Contract Documents and Information

3.5.1 The tenderer shall not, without the Hospital prior written consent, disclose the Contract, or any provision therefore, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Hospital in connection therewith, to any person other than a person employed by the tenderer in the performance of the Contract.

3.5.2 The tenderer shall not, without the Hospital prior written consent, make use of any document or information enumerated in paragraph 3.5.1 above.

3.5.3 Any document, other than the Contract itself, enumerated in paragraph 2.5.1 shall remain the property of the Hospital and shall be returned (all copies) to the Hospital on completion of the Tenderer's performance under the Contract if so, required by the Hospital.

3.6 Patent Rights

The tenderer shall indemnify the Hospital against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the Hospital.

3.7 Inspection and Tests

3.7.1 The Hospital or its representative shall have the right to inspect and/or to test the goods to confirm their conformity to the Contract specifications. The Hospital shall notify the tenderer in writing in a timely manner, of the identity of any representatives retained for these purposes.

3.7.2 The inspections and tests may be conducted in the premises of the tenderer or its subcontractor(s), at point of delivery, and/or at the Goods' final, destination if conducted on the premises of the tenderer or its subcontractor(s), all reasonable facilities and assistance, including access to production data, shall be furnished to the inspectors at no charge to the Hospital.

3.7.3 Should any inspected or tested goods fail to conform to the Specifications, the Hospital may reject the goods, and the tenderer shall either replace the rejected goods or make alterations necessary to make specification requirements free of costs to the Hospital.

3.7.4 The Hospital right to inspect, test and where necessary, reject the goods after the goods' arrival shall in no way be limited or waived by reason of the goods previously been inspected, tested, and passed by the Hospital or its representative prior to the goods delivery.

3.7.5 Nothing in paragraph 3.7 shall in any way release the tenderer from any warranty or other obligations under this Contract.

3.8 Packing

3.8.1 The tenderer shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final, destination, as indicated in the Contract.

3.8.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract

3.9 Delivery and Documents

Delivery of the Goods shall be made by the tenderer in accordance with the terms specified by Hospital in its Schedule of Requirements and the Special Conditions of Contract.

3.10 Insurance

The Goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacturer or acquisition, transportation, storage, and delivery in the manner specified in the Special conditions of contract.

3.11 Payment

3.11.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in Special Conditions of Contract.

3.11.2 Payments shall be made promptly by the Hospital as specified in the contract.

3.12 Prices

3.12.1 Prices charged by the tenderer for goods delivered and services performed under the Contract shall not, except for any price adjustments authorized in Special Conditions of Contract, vary from the prices by the tenderer in its tender.

3.12.2 Contract price variations shall not be allowed before a period of 12 months (1 year).

3.12.3 The prices shall be in Kenya Shilling, inclusive of all Government taxes and other expenses and must remain valid for 150 days from the closing/opening date of the tender

3.12.4 No Special Prices shall be applicable on Emergency delivery

3.13 Assignment

The tenderer shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Hospital prior written consent.

3.14 Subcontracts

The tenderer shall notify the Hospital in writing of all subcontracts awarded under this Contract if not already specified in the tender. Such notification, in the original tender or later, shall not relieve the tenderer from any liability or obligation under the Contract.

3.15 Termination for default

3.15.1 The Hospital may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part.

(a) if the tenderer fails to deliver any or all the goods within the periods) specified in the Contract, or within any extension thereof granted by the Hospital

(b) if the tenderer fails to perform any other obligation(s) under the Contract

(c) if the tenderer, in the judgment of the Hospital has engaged in corrupt or fraudulent practices in competing for or in executing the Contract

3.15.2 In the event the Hospital terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, goods like those

undelivered, and the tenderer shall be liable to the Hospital for any excess costs for such similar goods.

3.16 Liquidated Damages

If the tenderer fails to deliver any or all the goods within the period(s) specified in the contract, the Hospital shall, without prejudice to its other remedies under the contract, deduct from the contract prices liquidated damages sum equivalent to 0.5% of the delivered price of the delayed items up to a maximum deduction of 10% of the delayed goods. After this the tenderer may consider termination of the contract.

3.17 Resolution of Disputes

3.17.1 The Hospital and the tenderer shall make every effort to resolve amicably by direct informal negotiation and disagreement or dispute arising between them under or in connection with the contract.

3.17.2 If, after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute, either party may require adjudication in an agreed format.

Language and Law

3.17.3 The language of the contract and the law governing the contract shall be English language and the Laws of Kenya respectively unless otherwise stated.

3.18 Force Majeure

The tenderer shall not be liable for forfeiture of its performance security or termination for default if and to the extent that it's delays in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.19 Delivery of Goods

(a) Delivery of the goods shall be made by the tenderer to the Hospital's store and in accordance with the time schedule prescribed by the Hospital in the Local Purchase Orders.

(b) If at any time during the performance of the Contract, the tenderer should encounter conditions impeding timely delivery of the Goods, the tenderer shall promptly notify the Hospital in writing of the fact of the delay, its likely duration, and its causes. On receipt of the tenderer's notice, the Hospital shall evaluate the situation and may at its discretion extend the tender's time for delivery with or without liquidated damages, in which case the extension shall be ratified by the Hospital by amendment of the Local Purchase Order. However, in the event, that such delay leads the Hospital to procure the same items from other sources the tenderer shall be liable to the Hospital for any excess cost incurred for such similar goods and refusal by the tenderer shall lead to termination.

(c) Except as provided under the General Conditions of contract, a delay by the tenderer in the performance of its delivery obligations shall render the tenderer liable to the imposition of liquidated damages pursuant to paragraph 2.17 unless an extension of time is agreed upon pursuant to paragraph 2 (b) above without application of liquidated damages.

(d) Upon delivery of the Goods, the tenderer shall notify the Hospital and forward the following documents to the Hospital:

(i) Copies of the supplier invoice showing Goods description, quantity, unit price, total amount, and Local Purchase Order number (LPO).

(ii) Delivery note giving details as (a) above.
